Late payments curtails business growth, not just of the initial supplier affected, restrict productivity, and often lead to the need for additional borrowing by small companies. The North East Initiative on Business Ethics (NIBE) in partnership with The Journal ran a Campaign this year to encourage regional businesses to pledge to pay on time.

Join us for an update on:
- Who the Campaign has reached
- Has the Campaign made a difference?
- Reflect on changes in legislation
- Who have pledged their support
- Has the Campaign changed attitudes?
- What more can be done?
- Next Steps
